GIVE HOPE!

*Advent
Conspiracy*

Each Christmas, we celebrate the gift of hope that Jesus is to us by extending that hope to others!

A gift has been given in your honor that will give children the gift of nourishment. The **Compass Program in Springfield, IL** serves homeless and low income children. Each week, children receive help with school work and gather around a table with mentors to enjoy a family style dinner. The **House of Blessing in Chiang Mai, Thailand** serves children, who otherwise may not get to eat, a nutritious meal each day. The gift of food through each of these efforts will help children flourish and grow. This Christmas will lead to hope!

Merry Christmas!
